A Savior is born for us to redeemer us from our sins

Here’s how you can make this craft, too. Supplies Needed

- Paper Lunch bag
- Scissors
- Markers
- Small Wooden Craft Spoon
- Cotton Gauze (like for bandaging wounds)

1. Cut the paper lunch bag at the fold like in the picture below.

2. Write “Mary wrapped up baby Jesus and laid him in a manger. Luke 2:1-7” or something similar on the bottom part of the bag.

3. Cut the remainder of the paper sack into thin strips to act as straw. I cut the along the side seams of the sack and then cut each half in half lengthwise. I then placed all 4 pieces in a stack and cut them into thin strips. Draw a face on the wooden craft spoon.

4. Cut a 4 inch strip of gauze.

5. Wrap the spoon with the gauze just like baby Jesus was wrapped in swaddling clothes.

6. Put the paper strips inside the sack.

7. Place baby Jesus in the manger.
